These prices are to be used as an estimation guide in US dollars (USD). Please contact us for a full quote.

Quotes will include confirmation on pricing and deadlines in writing prior to commencement of the project.

*Rate is based on source word count, complexity, technical nature, formatting, and time-frames. A minimum rate will apply for documents equal or less than 300 words. A surcharge of 10-30% will be added to all Rush Orders and Special Formatting. Affidavit fees will apply if necessary.

**Please see Post-editing and Harmonizing rates if dual language proof-reading and editing is required. An initial consultation fee will apply for all high-volume documents requiring proofreading, editing, or harmonizing.

***An average page is a Times New Roman size 12 font of 30 lines with 1.25 margins, and a total word count of 500 words single space or 250 words for double space. Quotes will be adjusted accordingly. An initial consultation fee will apply for all high-volume documents requiring proofreading, editing, or harmonizing.
